Welcome to Our Rebros FM Services

About Us

Rebros Facility Management Services is a trusted leader in sustainable and technology-driven Total Facilities Management across the United Arab Emirates. Since 2014, we have built a reputation for excellence as an independent facilities management company under the Rebros Group, delivering innovative solutions that enhance efficiency, safety, and comfort for our clients across multiple industries

Welcome Message

CEO

Welcome to Rebros Facility Management Services. Since 2014, our mission has been to deliver sustainable and technology-driven facilities management solutions that add real value to our clients. With a skilled team and a commitment to excellence, we proudly serve diverse sectors across the UAE. At Rebros FM, we go beyond maintenance—we create smarter, greener, and more efficient environments for a better future

Our Vision

To be the most trusted and innovative facilities management partner in the UAE, delivering sustainable, technology-driven solutions that enhance lives, protect the environment, and create lasting value for our clients and communities

Our Mission

To deliver world-class facilities management solutions that are innovative, sustainable, and cost-effective. We are committed to enhancing asset value, ensuring safe and efficient environments, and building lasting partnerships through excellence, integrity, and customer-focused service.

Our Milestones

2014

Began our journey in the UAE by providing soft services with a focus on quality and reliability

2019

Expanded operations with an in-house hard services team, strengthening our technical capabilities.

2023

Introduced home individual services, bringing professional FM solutions directly to residents.

2024

Ventured into renovations and fit-out works, offering complete end-to-end property solutions.
